1. **Changes to the BA 90-credit and BA Specialized Honours English Programs**

The Atkinson Faculty Council recommends the changes to the program requirements for the BA 90-credit and BA Specialized Honours English programs as indicated below.

a) **Change "three Gateway courses" to "9 credits from Gateway courses"**	Rationale: Clarification of the specific number of Gateway course credit requirement, and is consistent with the use of the number of credits (instead of number of courses) in specifying program/degree requirements.
Change from: **i) BA:** (p. 46 of the 2001-2002 Atkinson Calendar) ~~30 credits in English including three Gateway courses (chosen from AK/EN 2010 3.0, 2020 3.0, 2030 3.0, and either 2075 3.0 or 2076 3.0). At least two of the three Gateway requirements should be fulfilled within the first 12 English credits, and the third may be taken later. At the 3000 level, students must take 21 English credits including at least 3 credits from each of the three major periods:~~ 1. Medieval and Renaissance 2. 1660-1900 3. 20th Century Students should bear in mind that 12 credits in each of the 3 periods are required to complete the Honours degree program. Therefore, students who plan to do Honours should take more than the minimum 3 credits from each major period during their BA Studies.	**Change to:** **BA:** **30 credits in English of which 9 credits must be from Gateway courses.
