Remarks

In her final meeting as the Chair of Senate, Professor Lesley Beagrie, paid tribute to all those responsible for another productive year in collegial governance: Senators, Senate committee and Faculty Council chairs, members and secretaries, and the staff of the University Secretariat. She expressed heartfelt gratitude for having the opportunity to serve as Chair and pride at having met and worked with faculty members, student and staff throughout the University. She wished all Senators well, and encouraged them to attend Convocation ceremonies to join with families and friends to celebrate graduating students.

In addition to her monthly Kudos Report, President Rhonda Lenton, highlighted the following:

- Board appointment of new Deans for the Faculty of Environmental Studies and the Lassonde School of Engineering (along with her appreciation that Interim Deans had agreed to stay on until their arrival), and the expectation that recommendations will be made soon for the positions of Provost, Deputy Provost Markham and Dean of the Faculty of Graduate Studies
- opportunities for York to partner with the organizers of the winning 2026 FIFA World Cup United North American bid in ways that showcase the University, Keele campus athletic facilities and student athletes
- the acknowledgement of National Indigenous Peoples Day in Spring Convocation ceremonies, which will also feature another banner crop of honorary degree recipients and those who have been earned prestigious awards for faculty members and students
- changes to the President’s Research Awards program, including expansion and refinements to the Emerging Research Leadership Award and the addition of a new Research Impact category
- sobering preliminary enrolment data and efforts to mitigate the impact of the strike on acceptances and retention
- efforts to position York in a positive light as a new government takes office at Queen’s Park, where 18 MPPs sitting in the Provincial Legislature have a York affiliation

The President’s monthly “Kudos” report was posted with the meeting agenda.
