Joanie Cameron Pritchett
Director
Community Support & Services and the Centre for Sexual Violence Response, Support & Educations

I am grateful for this opportunity to participate in this election.

I have more than 25 years' experience at YU, including my most recent position as Director in the Centre for Sexual Violence Response, Support & Education. I am also an alumna, holding a Master of Laws (LLM) from Osgoode and an MA from UofGuelph. Since 1988, I held various administrative positions at YU and from 2001 to 2014 I served as President of the YUSAPUY. Since 2015, I have worked in the Division of Students where I have been supporting students, staff and faculty.

I have spent nearly all of my working life as an advocate for employees through my service on many committees and if elected, I intend to work diligently, and with competence, compassion and a strong commitment to the community, that I hope I have demonstrated in all of my roles at York throughout my career.

Min-A Yoon
Administrative Coordinator
School of Administrative Studies

Bonjour! It would be an honour to represent you on the Board of Governors. I am a proud Glendonite and Yorkie (BA Double honours - Études françaises, Hispanic Studies) and, like many staff members who are themselves York grads, this is my community and I am committed to a sustainable future we can all take pride in – profs, students, and staff.

Now in my 10th year as a staff member, I have enjoyed working at both Glendon and Keele campuses. This dual experience gives me valuable insight into what makes York special and a commitment to making a better York for all of us. I value honesty and fairness, and I believe effective communication and collaboration are key to realizing the University's mission. *Au plaisir de vous servir d'une manière active, positive et enthousiaste.*

I look forward to representing you in an active, positive and enthusiastic way.
