

Board of Governors

Candidates for the Position of a Non-Academic Employee to the York University Board of Governors for a term of two years from 1 July 2021 to 30 June 2023.

Below are the candidates for nomination to the non-academic position on the York University Board of Governors. Voting by e-vote opens at **1:00 pm on June 7 and closes at 5:00 on June 11, 2021.**

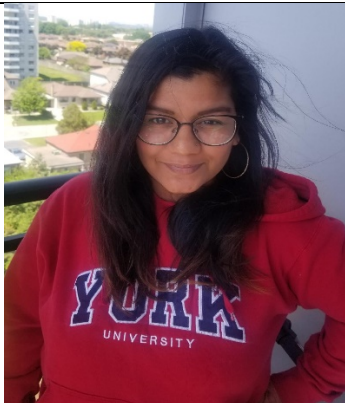

Stefanie Lamonaca Caputo
Student Success and Academic Advisor
Student Academic Advising Services,
Liberal Arts and Professional Studies

My name is Stefanie Lamonaca Caputo and I am pleased and honoured to be nominated for a staff member position on the Board of Governors. I am actively engaged in the York community as a student and a Student Success and Academic Advisor in LA&PS.

My experience includes, but not limited to, academic advising, LA&PS and Lassonde Faculty Council, membership in Lassonde's Planning, Academic Resources & Research Committee, and is buttressed by: A Master of Public Policy, Administration and Law, two undergraduate degrees, and currently pursuing my MEd.

I bring a comprehensive set of skills and experience which I believe are valuable to the Board of Governors, its students, staff and faculty, its culture, and governance practices. At the same time, this aligns with the Board's mission to support the President, Senate, and York Community to advance, and fulfil the University's goals of academic excellence in research and teaching, and for social justice. Thank you.

Rosanna Chowdhury
Experiential Education Coordinator
Faculty of Environmental & Urban Change

Dear York University Community: As an individual passionate about developing communities to become more equitable and sustainable paired with a passion for enhancing student engagement and success I would like to run for the non-academic employee board of governor's position.

It is my goal to embody the UN Sustainable Development Goals as a groundwork to ensure the development of projects and programs of the university align with ensuring our community is equipped for a diverse and more sustainable future. I'd like to use my leadership skills to ensure the business of the university considers the impact of its decisions towards equity, is represented both internally to the YorkU community and externally with our community partners.

With my experience, educational qualifications and skills, my value would be a great addition to the board, I look forward to putting these towards a good cause for the reputation of the university and its community. Warmly, Rosanna Chowdhury
